

BANQUE
BEMO

In their efforts to offer better service to their customers, operational efficiency, and a sounder banking sector, BSL Bank and Banque BEMO launched a Joint Branch Access initiative.

It will allow clients of BEMO to use all BSL ATMs and branches, to deposit or withdraw money from their account at Banque BEMO.

This initiative is the first one, reflecting a new spirit of collaboration between Lebanese banks and expected to improve the soundness and quality of service of a sector that was badly severed in recent years.

**To learn more about this new initiative, kindly check the Key Facts Statement "Interbank Cash Services", published on Banque BEMO website (<https://www.bemobank.com/client-platform>).*
